

Step 1

ADVISORY

Get Started on the Right Track!

It is highly recommended to meet with the Zoning Administrator to review your proposed plan and determine your first step.

In the advisory meeting you will gain insight on land development regulations such as parking requirements, landscaping, stormwater, and what to expect in terms of cost and the overall review process. This meeting is an informal informational meeting to ensure a smooth review process.

Suggestions for advisory meeting preparation

- Conceptual plan (sketch plan)
• Township Engineer is available to attend meeting to discuss stormwater regulations

Contact Connie Cruz, Zoning Administrator at (814) 899-3171 or email ccruz@harborcreek.org to schedule the advisory meeting. Office hours are Monday - Friday 8am - 4:30

Step 2

ZONING

Is Your Proposed Use Permitted?

If you are unsure if your proposed use is permitted, contact zoning office. The Staff are ready to assist you!

Does your project need a Variance?

Does your project need Conditional Approval?

Do you need to petition township for Re-Zoning of a property?

Does your project need a modification from the regulations?

HELPFUL NOTE:

- => In the Advisory meeting you will gain insight on what steps are required prior to submittal of land development (for example see questions above), detailed information township's requirements, and the overall expectation of the review process.
=> The meeting is intended to review a preliminary plan (conceptual plan) and have an open discussion about your project.

Step 3

SUBMITTAL

Submit Application With Confidence!

Submit Preliminary or Final Plan to Zoning Administrator.

Deadline Submittal Preliminary Plan must be submitted 20 business days prior to the Planning Commission Meeting

Final Plan must be submitted 10 business days prior to the Planning Commission Meeting

Required Documents for Submittal:

- Application
• Checklist
• Land Disturbance Drainage Certificate
• Proposed land development plans (refer to SALDO and checklist)
• Submittal of outside permits are not required for submittal, however will be required to be submitted for the conditional approval (PA PennDOT Highway Occupancy Permit, NPDES Permit, or Sewage Planning Module to name a few)
• Stormwater Management Plan
• Fee

Plan Size & Copies

- Land Development Plans (without Stormwater Plans) - 5 copies - Size 11" by 17"
- Stormwater and Land Development Plans - 2 copies - Size 18" by 24"

Step 4

PRELIMINARY PLAN

Does My Project Need to Submit a Preliminary Plan or Final Plan?

If your project is over 50,000 square feet of new impervious area, a Preliminary Plan is required first then a final plan.

If your project is under 50,000 square feet of new impervious area, a Final Plan may be submitted, if the preliminary plan is waived by Board of Supervisors. This will be discussed in the Advisory Meeting or a request can be submitted to waive the preliminary step.

Once the plan is submitted, the Zoning Administrator will review your application for completeness.

If application is not complete, you will be notified within 5 days. Applicant will then have 5 days to submit corrected plans and/or documents.

HELPFUL NOTE:

- => Zoning Administrator is available to assist you in each step as you prepare for your submittal of plans.
=> You can review the submittal deadlines and meeting dates at www.harborcreek.org or request a copy of the schedule by contact zoning administrator.

Step 5

PLANNING REVIEW

Your Presence is Required

Applicant and/or representative are required to attend the Planning Commission Meeting to present their proposed plan.

A notification letter of meeting date and time will be sent a week prior to point of contact/ applicant.

The zoning administrator will contact applicant to go over any issues, if any, prior to the planning commission meeting so the applicant can be prepared for the meeting.

HELPFUL NOTE:

- => If you are requesting a modification to your proposed plan, present your justification(s) to the Planning Commission. Be prepared to answer questions from the public and planning commission members.
=> Planning Commission Meetings are held the 1st Thursday of the month (unless otherwise noted) at 6pm. Meetings are located at Harborcreek Municipal Building, 5601 Buffalo Road, Harborcreek, PA 16421

Planning Commission will make a recommendation to Harborcreek Township Board of Supervisors.

Step 6

SUPERVISORS REVIEW

Your Presence is Valuable

Applicant/Representative will be informed at the Planning Commission Meeting when the next Board of Supervisors meeting will be to review the plan.

Applicant and/or representative are required to attend Board of Supervisors Meeting to present their proposed plan.

Zoning Administrator will update the Supervisors of Planning Commission's recommendation at the meeting.

HELPFUL NOTE:

- => Your Site Plan will be posted in the meeting room for the public to view.
=> An architectural rendering of your project, or any additional information you would like to share at meeting is encouraged
=> When the applicant does not have the approved permits from other agencies, the Board may approve your plan contingent upon submittal. as well as township's review letter that includes approval of stormwater plan and determines the improvement bond amount.
=> Supervisor's meetings are held the 1st Wednesday of the month at 9am and 3rd Wednesday at 6pm

The Supervisors will review and vote on your proposed plan typically at the time of meeting.

Applicant will receive one of the following: Approval Letter, Approval Letter with Contingencies/ Conditions, or a Denial Letter.

Step 7

FINAL PLAN

You Received Approval for Preliminary Plan!

Applicant is required to submit the final plan with the requirements as in preliminary plan. This will include any changes to the plan from the 1st review process and submittal of the site plan mylars (refer to SALDO for detailed information).

You will follow Step 5, Planning Review and Step 6, Supervisors Review for the final plan submittal.

If supervisors waived a preliminary plan, applicant will submit a Final Plan. (See Step 4)

HELPFUL NOTE:

- => Applicant will receive a preliminary approval letter with Planning Commission's "unofficial" minutes and Board of Supervisors contingencies (if any).
=> For Major Subdivisions, the Final Plan submittal will be the Phases within your subdivision plan.

Step 8

FINALIZE DETAILS

Harborcreek Wants Your Business to be Successful!!

If approved, you will receive a Final Plan Approval Letter that will include Land Developer's Agreement, Stormwater O & M Agreement, Declaration of Reciprocal Easement & Covenants Agreement, Professional Consultant Inspection Fee Reimbursement Agreement, and the Township Engineer's Review Letter that will include any outstanding issues. The letter will also include the amount for the improvement financial security.

HELPFUL NOTE:

- => If your approval included contingencies on submittal of agency permits, you must submit them to Zoning Administrator prior to recording of the site plan.
=> All agreements must be signed, notarized, and return to township.
=> You must submit the financial security for improvements listed in engineer's letter. Samples of the language for Letter of Credit and/or Bond is listed on the website or you can request them from zoning administrator.
=> Submittal of the amount for profes-

Step 9

COUNTY PLANNING REVIEW

Everyone Works Together!

The Land Development Site Plans (2 mylars and 5 papers) must be submitted to Erie County Planning Department. The site plan must include the required signature blocks (refer to SALDO, Section 402, Final Plan).
